Resolved that provision be made accordingly. This will amount to Rs. 120 per annum for 8 Taluks.

2. Read petition dated the 3rd August 1894, from the inhabitants of Nonavinkere in the Tiptur Taluk, praying that as the bund of the Nonavinkere tank (on which a District Fund road runs) is high and several accidents have occurred by carts capsizing, some protection may be provided.

Read also the Executive Engineer's letter No. 1023 of the 9th August 1893, sending an estimate for Rs. 330 for fixing protection stones on both sides of the bund of the said tank four feet apart.

Resolved that protecting stones be fixed two feet apart, the stones being at least $2\frac{1}{2}$ feet above ground and $1\frac{1}{2}$ feet in ground.

Resolved that the Executive Engineer be requested to revise the estimate accordingly.

3. Read petition dated the 18th August 1894, from the inhabitants of Gubbi, praying that the portion of the Gubbi-Hebbur District Fund road which is close to Gubbi may be widened, as it is now very narrow and dangerous, the sides being steep and deep.

4. Read:—

(i) Petition dated the 9th June 1894, from the inhabitants of Tovinkere in the Koratagere Sub-Taluk to the Deputy Amildar of Koratagere, praying for a road from Koratagere *viâ* Tovinkere to join the Tumkur-Sira road at Timrajanhalli, received with the Deputy Amildar's report No. 163 of the 14th June 1894;

(ii) Petition dated the 10th June 1894, from the same persons on the same subject to the 1st Assistant Commissioner of the District, received with that Officer's Yadi No. 1593 of the 10th June 1894; and

(iii) Petition dated the 10th June 1894, from the same persons on the same subject to the Deputy Commissioner of the District and reported on by the Deputy Amildar of Koratagere in his No. 157 of the 21st August 1894.

Resolution.—After much discussion, it is resolved that the proposed road is a desideratum as several carts pass that way to the Bellavi entrepôt in the Tumkur Taluk. Further the necessity of opening out new roads in this vicinity was acknowledged at the time of the Survey Settlement. *Vide* para 9 of Government Order No. 2868—Rev. 91 of the 3rd June 1876.

Resolved therefore that funds be made available for this road from the District Funds at the rate of Rs. 3,000 per annum till the work is finished.

5. *Resolved* by the non-official members that Messrs. Srinivasa Tatachar and Syed Mustafa Sahib be sent from this Board to the Representative Assembly of 1894.

6. *Resolved* that a care-taker on Rs. 5 per month be appointed for the Musafarkhana recently constructed at Budihal in the Huliyar Sub-Taluk out of the Local Funds General.

Resolved that the statement be submitted to Government for sanction.
